Dear colleagues,

I'm writing to let you know that I will be resigning my City Council position as of Feb. 7, 2024. We have decided to relocate as a family this year to Missouri, to pursue new positions and promotions for both myself and my spouse. While we are excited about these new opportunities, it is with deep sadness that I am stepping down from serving my Bloomington constituents in my City Council role. I am thankful for the opportunity I have had to represent our community, and deeply honored by the support and guidance I have received from our community and state and local leaders.

Please let me know if you have any questions, and thank you again. I will follow up with you individually over the coming days.

Thanks and best to all of you,

Shruti
