First League of Women Voters Legislative Update of 2024 to Be Held on Saturday Jan. 27

The public is invited to an online legislative update, to be held on Saturday, January 27, from 9:30-11 a.m. on Zoom. The event is co-sponsored by the League of Women Voters of Bloomington-Monroe County, the Greater Bloomington Chamber of Commerce, the League of Women Voters of Brown County, and the League of Women Voters of Johnson County.

State legislators representing any parts of Monroe, Brown, and Johnson Counties have been invited to report on their work and priorities for the current session of the Indiana General Assembly. They will first give brief updates on the workings of the Indiana legislative session to date and will then take questions from attendees.

To sign up for the Zoom meeting, go to <https://lww-bmc.org/legis-updates>.

This is the first of three planned legislative updates sponsored by the Leagues and the Chamber on Zoom. Subsequent updates are set for Feb. 17 and March 2. All legislative updates are free and open to the public. Community Access Television Services through the Monroe County Public Library has been invited to record the events, with the video available on the CATS website shortly after each update.

The work of the Indiana General Assembly can be followed on its website, <http://iga.in.gov>, which provides a wealth of information and offers the possibility to track the progress of individual bills.
