Dear faculty and staff,

Just a brief update that I shared the two faculty resolutions and vote (below) with President Whitten and Provost Shrivastav Sunday.

1. O'Neill School faculty recommends that the new policy concerning the use of Dunn Meadow adopted by the new "ad hoc committee" Wednesday, April 24, 2024, be withdrawn immediately. 56 Yea – 1 Nay – 3 Abstain
2. O'Neill School faculty requests that all students, staff, and faculty who were banned from IU property for violating the new policy adopted by the "ad hoc committee" Wednesday, April 24, 2024, be allowed back on campus immediately. 45 Yea – 3 Nay – 6 Abstain

The President asked that I pass on her appreciation for your thoughtful input.
