

A Message From The Chairwoman

[June 30th, 2024] I have served the Monroe County Republican Party in many different capacities throughout the past eight years. I began at just 13 years old and went on to serve as your Political Director, Vice Chairwoman, and eventually your Chairwoman at the age of 18, making me the youngest county Chair in the country. A lot has happened during my tenure as Chairwoman. We have campaigned hard, had fun, made connections, and even lost a few members along the way. It has been an honor to serve this party and all of you.

I have some news to share in regards to my continued service to the party - on July 25th, I will be stepping down as your Chairwoman, due to the lack of options and affordability in the rental and housing market in Monroe County. This is not a decision I came to lightly, especially in the middle of an election cycle. I feel like full transparency is what the MCRP deserves. I also feel very confident that there is someone that is able and willing to pick up right where I am leaving off. That person is our Vice Chairman, William Ellis. William has my full and complete endorsement to finish what we started in the nine months left in my term. William is the only person who can provide continuity for our candidates this election cycle.

It is also imperative that we continue our forward progress in electing Joe Vandeventer and Randy Cassidy for County Commissioner, as well as Dave Hall for State Representative. Monroe County has become too unaffordable for the people who have lived here their entire lives, like myself, and we must elect leaders who can change that.

You will all continue to see me around volunteering for this great party. I believe the best is yet to come for Monroe County, and I will always be cheering you on.

- Taylor
