

Cm’s Rosenbarger, Stosberg, Flaherty: “the 7-line has been a wildly successful infrastructure project” October 11, 2024.

Zoom in on the counts on 7th.

Bike counts, 7th near Park

37% increase: added 33 round trips per day. At \$3,200,000, that is almost \$100,000 per added commuter.

Cm's Rosenbarger, Stosberg, Flaherty: quoting Andrew Cibor, Director of Engineering, May 15, 2024, "an increase in over 200% in the blocks that previously had no bicycle infrastructure at all.
