ELEMENTARY, UE Staff, UE Teachers

Dear University Elementary School Families,

I am writing to inform you that I will be resigning from my position as Principal of University Elementary School at the end of the 2024–2025 school year. This decision comes as I choose to focus my energy and attention on completing my doctoral studies.

The past seven years at University have been among the most rewarding of my professional life. I have learned much from our incredible students, dedicated staff, and supportive families. The rich history and diversity of this school and community have not only helped me grow as an educator and administrator but have deeply shaped me as a person. I am sincerely grateful for the countless memories, meaningful relationships, and sense of purpose that have come with serving this school.

Together, we have strived to support the growth of our students—socially, emotionally, and academically. I believe that when you leave a place, the goal is to leave it better than you found it. I genuinely believe we have done just that—
together.

I will continue to do all I can to ensure a smooth transition in leadership and support our staff, students, and families during this change. Thank you for your time, care, and unwavering support. I wish each of you—and University Elementary School—all the best in the journey ahead.

Sincerely,

Glen Hopkins
Principal
