Monroe County Democratic Party Appoints John Fernandez to Election Board

BLOOMINGTON, Indiana — The Monroe County Democratic Party Chair David G. Henry has named John Fernandez as Democratic representative to the Monroe County Election Board.

Henry had served as Democratic Member and Election Board President in 2023. He resigned in December to pursue his party's nomination for County Council at-Large in the 2024 Democratic Primary. Henry remains Chairman of the Monroe County Democratic Party.

John Fernandez is the former Mayor of Bloomington (1995-2003) and former Assistant Commerce Secretary in the Obama Administration. He currently serves as executive vice president for Innovation & Strategic Partnerships at the Dimension Mill. He has served on the Election Board as a proxy in 2023.

“On behalf of our Democratic Community, I thank John for filling this crucial role ahead of the 2024 election,” Henry said. “Having experienced public servants at the helm of our elections will help guide us through what we all hope is a smooth election season for our whole community.”
